

They Sing the Song of the Lamb

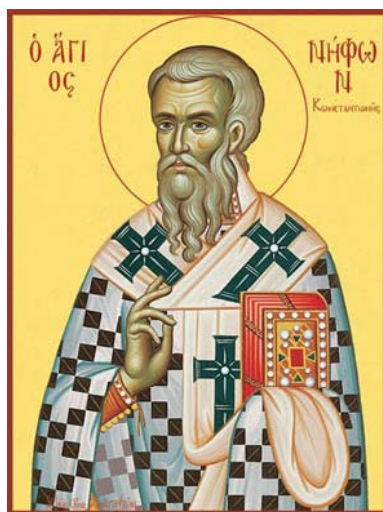

(Revelation 15:3)

On the occasion of the sacred memorial of
St. Niphon, Bishop of Constantiane
23 December

*Apolytikion**
Third Tone. Θεΐας πίστεως

Enriched by the Divine Spirit, O Holy Niphon, thou didst prove to be a Divinely-called Hierarch in Egypt; for thou becamest a model of repentance and didst shine forth by thy miracles and discourses; wherefore, endow with light and peace all who honor thy wonders.
